

SRI LANKA LAW COLLEGE NOTICE

The Council of Legal Education has decided to postpone the Preliminary Year Examination, scheduled to commence on April 24, 2023.

The Council arrived at this decision to provide the students who are to sit the Preliminary Examination in April, a reasonable time to adjust themselves to face the examination in the language of their choice and provide an opportunity for those students who did not register due to the reason that three of the papers were to be answered in English, to register for the exam and answer all papers in the language of their choice

A new timetable for the rescheduled Preliminary Examination will be published in due course.

The Intermediate and Final Examinations will be conducted as scheduled.
